And tell them "Stop House Bill 258, I can't lose \$1.39 every hour in wages in this economy." You can call the Capitol Switchboard at 573.751.2000 and they can connect you to your state rep and senator.

- 3) Tell your family and friends

And they can tell their legislators to Stop HB 258 as well. Chances are politicians are trying to overturn your friends' and family's vote. An overwhelming 76% of Missouri voters approved the raise for servers in 2006.
